

NATIONAL SPIRITUAL ASSEMBLY  
OF THE BAHÁ'ÍS OF THE UNITED STATES

June 8, 2016

To all Local Spiritual Assemblies and registered Bahá'í groups

Dear Bahá'í Friends,

A few weeks ago, the National Spiritual Assembly was privileged to invite the friends in the Chicago area to a presentation given by Mr. Paul Lample, member of the Universal House of Justice, at the House of Worship. We are pleased now to share with you that an audio recording of that talk—in its entirety—is available upon signing in to the member services website, [american.bahai.us](http://american.bahai.us).

Mr. Lample addressed a wide range of topics during his talk, lending historical context to this generation's efforts to advance the Cause of Bahá'u'lláh worldwide and touching upon the broad range of endeavors being undertaken in the current Five Year Plan. We encourage you to share the availability of this recording with the members of your communities as soon as possible so that all have the opportunity to reflect on the insights and remarks shared by Mr. Lample.

With loving Bahá'í greetings,

Kenneth E. Bowers  
Secretary
