To all National Spiritual Assemblies

Dear Bahá'í Friends,

We are pleased to inform you that the National Spiritual Assembly of Chile has made arrangements for the live broadcast of certain portions of the highly anticipated dedication of the House of Worship in Santiago, which will unfold between 13 and 16 October 2016. This presents a unique opportunity for the friends in local communities across the Bahá'í world to gather together and partake of the spirit of the proceedings on this historic occasion.

Through an array of artistic presentations that draw on the rich cultural heritage of the peoples of Latin America, the dedication programme will contemplate themes pertinent to the inception and unfoldment of the Bahá'í Faith in that region, the response of its peoples to the Divine Message, and the spiritual significance of this last continental Mashriqu'l-Adhkár. The entire programme, including the conference, will be made available for viewing in English, Spanish, and Portuguese on the newly launched website for the House of Worship in Chile. The Bahá'í World News Service will also broadcast the public dedication ceremony on 13 October.

The details regarding the live broadcast of the dedication events are enclosed, and you are asked to share these widely with the friends in your communities.

With loving Bahá'í greetings,

Department of the Secretariat
