

NATIONAL SPIRITUAL ASSEMBLY
OF THE BAHÁ'ÍS OF THE UNITED STATES

OFFICE OF THE SECRETARY

December 26, 2016

To the American Bahá'í community

Dear Bahá'í Friends,

The National Spiritual Assembly will not be providing a letter addressed to your gatherings for the upcoming Feast of Sharaf.

In lieu of its letter, the Assembly asks that you use the time normally allotted to its reading and discussion for another activity you consider appropriate. As we will, in a few brief months, conclude the first year of the current Five Year Plan, a discussion of your efforts thus far to ensure the ultimate fulfillment of its goals would certainly be a wise and fitting use of the time.

With loving Bahá'í greetings,

Office of the Secretary
