

NATIONAL SPIRITUAL ASSEMBLY  
OF THE BAHÁ'ÍS OF THE UNITED STATES

January 17, 2017

To the American Bahá'í community  
for the Feast of Sultán

Dearest Bahá'í Friends,

For this first Feast of the new calendar year 2017, we are delighted to share with you a letter prepared by the Board of Trustees of Huqúqu'lláh in the United States especially for the occasion. We ask you to set aside time in your celebrations of the Feast to read and discuss the letter, just as you would normally do with our customary message.

The letter is accompanied by a document providing the names and contact information for the Huqúqu'lláh representatives assigned to your state, each of whom will gladly answer your questions and can provide detailed information on this essential facet—and responsibility—of Bahá'í life. (The document is also available at all times on our member services website—accessible at [american.bahai.us](http://american.bahai.us)—in the site's "Resources" section, within the subsection devoted to "Directories.")

We warmly commend the letter to your careful study, confident we all will benefit from the better understanding of the unique and wondrous "Right of God" the Board is so conscientiously striving to foster and uphold in the life of our national community.

With loving Bahá'í greetings,

Kenneth E. Bowers  
Secretary
