

NATIONAL SPIRITUAL ASSEMBLY  
OF THE BAHÁ'ÍS OF THE UNITED STATES

February 6, 2019

To the American Bahá'í community  
for the Feast of Mulk

Dearly loved Friends,

With tonight's Feast, we begin the Bahá'í month of Mulk—the next to last on our calendar, immediately preceding our 19 days of fasting, a special time of reflection.

Mindful of this, tonight seemed to us a perfect occasion to recommend to your close study as a community the Universal House of Justice's January 18 message on the advancement of world peace, a subject much on the minds of people everywhere.

We ask you to consider using the time normally allotted to the sharing of our regular Feast message either to begin or to encourage setting aside time on another occasion for such a collective reading and discussion. Though the Supreme Body's message was—on the same day it was released to the Bahá'í world—circulated to every Assembly and registered group and to all the friends for whom we have a valid email address, we have, for your convenience, attached it to this note both in the original English and in Persian and Spanish translations.

We assure you of our deep and abiding affection and our best wishes that your celebrations of this Feast be warm, richly informative, and inspiring, fulfilling the Master's hopes that every Feast might become *"the cause of great spiritual solidarity between the friends,"* so uniting us *"that love will spread from this center to all parts."*

With loving Bahá'í greetings,  
NATIONAL SPIRITUAL ASSEMBLY OF  
THE BAHÁ'ÍS OF THE UNITED STATES
