

NATIONAL SPIRITUAL ASSEMBLY
OF THE BAHÁ'ÍS OF THE UNITED STATES

OFFICE OF THE SECRETARY

March 7, 2017

To all Local Spiritual Assemblies
and registered Bahá'í groups

Dear Bahá'í Friends,

As you may recall, the National Spiritual Assembly shared, in July of last year, a message from the Universal House of Justice announcing the availability of Persian translations of its messages on the website www.payamha-iran.org.

Recent messages of the House of Justice addressed to the believers in Iran and their authorized English translations, as well as Persian translations of selected other messages of the Supreme Body, will no longer be routinely sent to National Assemblies and other Bahá'í institutions as had been the practice in the past. As a reminder, such communications are now available on the abovementioned website, which also has a subscription function that allows individuals to receive a notification when new items have been uploaded.

You are kindly asked to again bring the site to the attention of the believers in your respective communities, particularly those who are Persian-speaking.

With loving Bahá'í greetings,

Office of the Secretary
