Dear all,

The location will be at the home of Saloomeh and Sanah Sohrab: 4314 Cornishon Ave. La Canada, CA 91011

As of today, i've only heard back from 4 LSA's on their number of attendance from their LSA's. The sooner we can hear back, the better we can plan ahead.

Additionally, to relieve the burden of snack and food preparation falling on just one family, each LSA can bring a snack to share with others.

Warm love,
Naz

To the Esteemed Local Spiritual Assemblies serving the communities in the Claremont, Glendale, San Bernardino, San Gabriel Valley, Upland, Victorville, and Whittier Clusters,

A member of the Continental Board of Counsellors serving the Americas, Mr Navid Serrano, will be in the area on November 6th and has suggested meeting with the Local Spiritual Assemblies serving the communities of this grouping of clusters to review key concepts from the current series of global Plans.

This is truly a rare privilege and I can't recall in the past 10 years that a Counsellor has called for such a gathering in this area, so it would be in our best interest to have as many members of our Assemblies present. Please let me know how many members of your LSA will be able to attend.

Date: Sunday, November 6, 2016

Time: 9am - 12noon

Location: TBD

Warm love,

Naz
