Dear Friends,

Kindly share the email below with members of your community. It would be wonderful if members of our cluster, especially youth, could attend one of the sessions in order to assist or efforts to involve more youth in our efforts.

Please let me know if you have any questions.

Kindly,
Krista Furutan

ATC Secretary

Dear Krista,

Hi! The ATC of the Upland Cluster is hosting a series of study/trainings on "Conversations With Youth" over the next two weeks and it has been suggested that we contact your ATC about it so that any of the youth in the San Bernadino Cluster who aren't involved in the "Summer of Service" activities can have an opportunity to still be involved in learning and action around community building this summer.

The "Conversations With Youth" sessions will be led by Eric and Sanaz Rykwaldler, who have been at the center of a youth team that has successfully reached out to youth from the greater community in our cluster's focus neighborhood in Ontario. They have made many friendships there and now have six youth from the neighborhood ready to begin the Animator training.

The "Conversations With Youth" study/training sessions are being held to help us, youth and adults, acquire new learnings around engaging youth from the greater community in elevated conversations and offer them an arena of service in their communities with the Jr. Youth Empowerment Program.

All four sessions will essentially be the same, as we want to make sure that no matter what someone's schedule might be that they will be able to attend. An opportunity to practice what we have learned will come in the first two weeks of August as we reach out to the youth in our focus neighborhood on weekday evenings and all day on the Saturdays and Sundays.

The youth and adults from the San Bernadino Cluster are invited to these activities as opportunities to increase our capacities in our respective clusters.

Please have participants [click here to RSVP](#) which of the following "Conversations With Youth" study/training sessions they will attend:

Wed July 20 the Furutans home 7:30-9:30pm
6179 Golden Trails Ave. Rancho Cucamonga

Much love,
Red Grammer
Secretary of the Upland ATC
